I wish to transfer on the following basis:				
Transfer Method:	Cash Transfer In Specie Transfer With this option your existing provider will sell your current holdings and transfer the cash proceeds. If you want to transfer your holdings intact, please tick the 'In Specie' option. In Specie Transfer In specie Transfer Transferring an asset 'in specie' means transferring your underlying holdings as they are, without having to sell and repurchase them. This means you will remain invested throughout the transfer process. You should note, however, that there will be a short period when you will not be able to sell your holdings.			
Transfer Amount:	Full Transfer Partial Transfer With this option you will transfer the entire value of your existing pension. With this option you will only transfer part of your pension rights from another registered pension scheme, leaving the remaining rights in your other scheme.

DECLARATION

I confirm that I have sought independent financial advice in respect of the transfer of my benefits from The Advance Hartley SIPP from:

I have not taken independent financial advice in respect of my transfer

I can confirm that if I am transferring any investments 'in specie' that it is my responsibility to ensure that the receiving scheme will accept the transfer.

I understand that if my transfer of benefits includes Non Standard Assets (NSA) I will be required to take suitable financial advice as to the suitability of the transfer.

I understand that due to the implications of pension liberation the transfer of benefits may take up to six months to complete. I confirm that I have not been offered a personal financial incentive to move my SIPP to a new provider.

I understand the receiving scheme may contact The Hartley Pension in respect of my pension arrangement and give my authority for you to release information and deal direct with the receiving scheme with regards to the transfer only.

I am fully aware of the implications of the transfer.

I am aware that there is a charge for both a Full and Partial transfer and that these fees are payable prior to the transfer being completed. I am also aware that full administration charges will apply to any benefits that are not transferred.

I am aware extra charges may be applied if Property and/or Deed of Assignment are involved with the transfer.

I understand that the value of my assets may change during the transfer process and indemnify Hartley Pensions Ltd and Hartley SAS against any fluctuations and consequential impact to the value of my assets.
